HONDO TO VOTE ON NEW SCHOOL BOND ISSUE.

The Hondo School Board at a recent meeting passed an order, and have posted the same at three places in the district, calling for an election on February 8th to determine whether or not the district shall issue \$50,000 in school district bonds.

This order should be published in the local paper so that all can familiarize themselves with it, but at the time of going to press no copy of the same was available, even for use as a basis for a news story.

We hope to be able to publish the Board's order in our next issue.

CHAMBER OF COMMERCE TO MEET.

A meeting of the members of the Hondo Chamber of Commerce is hereby called to convene at the Chamber of Commerce Hall Tuesday night, January 18th, at 7:30 o'clock, for the election of three directors, and for the transaction of such other matters as may come before the meeting.

W. N. SAATHOFF, Secretary.

F. BATOT, President.

TO WHOM IT MAY CONCERN:

The Medina Oil Company has operated in our community for the past two and a half years. They have made one deep test on the A. L. Haegelin farm and have drilled several shallow wells on the Ray Taylor farm, also one well on the Robert Haegelin farm to the depth of seven hundred feet, another one at the depth of eight hundred thirty feet is located on the Mott farm.

The Company has several small producing wells, and expect to drill three more shallow wells in order to increase their general production in this field. After completing the shallow wells it is their intention to make a real deep test on their holdings. The Medina Oil Company is incorporated under the laws of Arizona with a capitalization of \$75,000.00 divided into 75,000 shares at \$1.00 par value non-assessable. They have left in the treasury approximately 8,000 shares which they intend to place on the market at par value of \$1.00 per share.

With this amount of stock sold together with their present and future production of the wells now in operation they will derive enough revenue to assure making a deep test. Their intention is to take up subscription in the town of Hondo

GRELL & FUOS OPEN NEW GROCERY STORE.

Messrs. Louis D. Grell and Walter J. Fuos have bought out the grocery business formerly conducted by A. J. Swearingen and will continue the business at the same stand under the name of the Cash Grocery Company. They have been busy all week re-arranging the store and replenishing the stock and expect to open today for business.

While Messrs. Grell and Fuos are young men, they have had considerable experience in business and we predict for them a successful career in business.

and Medina County to see how much of their stock can be subscribed for in our Community.

The Medina Oil Company has faithfully expended in our County a large sum of money which was used for actual development. No funds, as far as we know, were misapplied or squandered, and we believe that the management will do the same with the money so subscribed in the near future. We, the Directors of the Chamber of Commerce of Hondo, endorse the action of the Medina Oil Company and hope that the people will subscribe liberally to this stock. The funds so subscribed will be spent in our Community and the citizens will reap the benefits thereof, the same as they have heretofore on funds they have expended, with the most feasible chance of making this deep test a good producer thereby placing Medina County in the class with other big oil producing sections.

Very Respectfully,

PARENT-TEACHER ASSOCIATION

The regular monthly meeting of the Parent-Teacher Association was held at the High School building Monday afternoon, Mrs. John Horger presiding.

After the recitation of the Creed, the secretary called the roll to which forty-five members responded.

Two new names, Mrs. Will Erdman and Miss Manning, were added to the membership list.

A discussion as to the advisability of having the physical examination of the pupils at an early date, resulted in it being left to next meeting for definite action.

There being prospects of a new school building to be erected in the near future, the discussion as to whether the club was to continue meeting at the school house or move back to the Chamber of Commerce hall, on account of the inconvenience incident to serving refreshments, resulted in a decision to continue meeting at the school building for the remainder of the school year.

In the count for the banner, the Fifth Grade won with seven representatives.

Mrs. F. S. Cockrell, Vice-President of the Crockett School P. T. A., of San Antonio, spoke briefly of the work being done in that club for the betterment of the school.

At the close of the afternoon, Mrs. Aug. Schroeder and her assistants, Mesdames Harper Fly, J. S. Fly, Orceuth Fly, F. S. Cockrell, Alfred Finger, John Finger and Charles Finger served delicious refreshments consisting of raisin and nut pie and hot coffee, with nose gays of violets as favors.

FOR SALE—Several Big Horses and 1 pair small work mules. R. C. Bless.

SOPHIAN CLUB.

The regular meeting of the Sophian Club was held Wednesday afternoon at the school house with Mrs. F. S. Cockrell in charge of the program. Through the efforts of Mrs. Cockrell the club had with them for the afternoon, Mrs. Earnest Powell, A. B., M. A., of Columbia University, and Mrs. Arnison, wife of Major Arnison, both prominent club women of San Antonio.

Mrs. Cockrell in her usual mien, introduced Mrs. Powell, who addressed the club on "A Contrast Between Poetry of the Old School and Poetry of Today." Her subject was ably handled and well received by her audience. Mrs. Powell then introduced Mrs. Arnison, who carried away her hearers by her readings, "The Drug Clerk," "Patterns" and "General Booth Enters Heaven." In the latter she accompanied herself at the piano with familiar airs from the songs of Salvation Army recruits.

At the close of the program Miss Stone called the meeting to order for a business session during which the following new officers were elected:

Mrs. W. C. Brown, president; Mrs. H. E. Medlin, vice-president; Mrs. Elmer Leinweber, secretary-treasurer; Mrs. T. B. Knopp, corresponding secretary; Mrs. Roland Chancy, parliamentarian; Miss Lena Stone, librarian; and Mrs. Edward Cameron, Mrs. Earl Boon and Mrs. P. Jungman, directors.

Prior to the meeting of the club, Mrs. F. S. Cockrell entertained a few friends and members of the Sophian club, honoring Mrs. Earnest Powell, who is Vice-Chairman of the Literary Department of the Woman's Club of San Antonio, and Mrs. Arnison, wife of Major Arnison, City Engineer of San Antonio. Mrs. Cockrell was assisted in pouring and serving tea dainties by Mrs. Edw. Cameron, Mrs. Roland Gaines and Mrs. Fletcher Davis.

WEINER ROAST.

At 8:30 o'clock Saturday morning, all that wished to attend the weiner roast given by Misses Peggy Woods, Anne Love and Thelma Wilson met at the school house where they started on a two and a half mile hike.

At eleven thirty they left the field where a game of base ball had taken place. Then began the merry time of roasting the weiners.

Those present were Misses Fawcett (chaperone), Mary Lois Barnes, Dwyce Cameron, Lucy Davis, Henrietta Griffith, Ruth Lee Shelton, Ruby Neuman, Annie Joseph Brucks, Hedwig Nester, Elyne Beiten and Irene Mechler. Masters Frank Rucker, Thomas Griesel, Harris Parsons, Jean Ulbrich, William Heyen and Norris McClaugherty. A very enjoyable time was had by all present.

THE BAPTIST W. M. S.

The Baptist W. M. S. met at the church Thursday afternoon, Jan. 6, 1927, for the annual election of officers. The following officers were elected: President, Mrs. M. Beal; Vice-President, Mrs. W. C. Brown; Secretary and Treasurer, Mrs. H. H. Crow; Personal Service, Mrs. Albert Nelson; Young People's Service, Mrs. Holly; Educational, Mrs. R. W. Gaines; Publicity, Mrs. F. Woods; Mission, Mrs. Jim Fusselman; Methods and Finance, Mrs. Jack Fusselman; Mission Study, Mrs. W. C. Brown; Benevolence, Mrs. Nettie Carle.

LUTHERAN MINISTER TO BE INSTALLED.

Installation services of Rev. H. A. Hondo will be held at the Hondo Lutheran Church Sunday morning, Jan. 23, 1927, at ten o'clock. Rev. Langner will preach in German and Rev. Hasskari in English. Everybody is invited.

All members are requested to bring their lunch baskets and after the services lunch will be served in the Chamber of Commerce Rest Room.

FORTY-TWO CLUB.

The guests and members of the "42" club, on assembling Thursday afternoon, were startled on entering the hall to be met by a dashing figure in pirate costume, who, as Miss Lucille Boon in every day life pointed to the sign "Pirate Day," and to gangling skeletons and skulls, and led the captives to the hostesses, Mesdames Earl Boon, Ed. Cameron and Laura Welhausen.

The guests then spun for their fortunes of 1927 and tally cards on a huge roulette wheel and found partners from black and gold tallies.

The winners of "84" kids were allowed to spin for colored candies and trophies, but the jinx 13 of the day seemed to have gone against the luck of the bidders. At the conclusion of the games Mrs. Lou E. Heath and Mrs. Robert Kollman held high score of 14 games.

The brigands had prepared a very delicious feast at their bar in "Carle's" and thither the fortune hunters sped. They found places by black and gold pirate flags and amid exclamations of joy, drew out treasures from treasure chests in the center of each table. Captain Kidd never saw the like of jewels, pearls of the first water, diamonds of purest ray serene, and like plunder from the "5 and 10."

Brown bread and cream cheese sandwiches, banana nut salad on lettuce, shaped like pirate boats with flag flying from the mast, and stuffed dates garnished in whipped cream and cherries and a drink of rum (?) "Yo ho ho!" was served to the following members: Mesdames O. H. Miller, Earl Starnes, Fletcher Davis, Lou Heath, F. S. Cockrell, L. J. Brucks, Felix Batot, Horace Bradley, F. H. Schweers, Felix Richter, C. J. Schuehle, R. J. Noonan, Misses Lillian and Bess Brucks and the hostesses. The guests present were Mrs. Grover C. Frix of San Antonio, Mrs. Robert Kollman, Mrs. Harry Crouch and Misses Ruth Edwards, Lena Stone, Octavia Davis and Lucille Boon.

The next hostesses will be Mrs. Lou E. Heath, Mrs. Fletcher Davis and Mrs. F. S. Cockrell.

NUMBER TEN IN GAS.

The Medina Oil Company is down 210 feet with the No. 10 in the Taylor field. This well is being drilled in the hope of striking a gas pocket that was tapped by a previous well nearby, and at 210 feet strong gas indications are showing.

The water will be cased off and the drill forced deeper in the hope of finding production.

If gas is found in sufficient quantity, it will be utilized to run the pumping machinery on the producing wells.

NOTICE.

All Stockholders of Medina Co. Fair Association are requested to be present at the Chamber of Commerce at 7:30 P. M. Jan. 22nd.

The Tarviating gang is busy topping the highway through town this week, thus closing up the gap between the east and west ends of the highway that has been under construction now for almost a year. When this gap is closed the highway will be tarviated throughout the width of the county east and west with the exception of a short stretch through D'Hanis that is still uncompleted. Some thirty years ago, when we predicted this road would eventually be macadamized we were laughed at as a visionary, and told we would never live to see it. Of course, no one had then dreamed of the changes the automobile would bring about, and in so short a time.

Alonza Carter of Goose Creek and Tom and Tillman Carter of Oklahoma, who were called to San Antonio the middle of last week on account of the serious illness of their sister, Mrs. Grace Burmeister, spent several days here this week visiting relatives before returning to their respective homes on Thursday. It was necessary to amputate Mrs. Burmeister's limb at the hip, and her many friends will be relieved to learn that though her life was despaired for awhile; she is progressing favorably towards recovery at the P. & S. Hospital in San Antonio.

Died.

Mr. Henry Keller, a Pioneer of Bexar County, died at an Infirmary at San Antonio after undergoing a serious operation Wednesday night, Jan. 5, 1927, aged Seventy-nine years. Deceased was born at Castroville. Sometime during the seventies he was happily married to Miss Mary Bohl, who preceded him in death many years ago. This union was blessed with four children, two sons and two daughters. The two daughters, Mesdames Geo. Echtle and Jos. Mueller, also preceded their father in death, while his two sons, Frank of LaCoste, and Henry W. of Sauz, survive him. The Corpse was brought to Castroville and laid to rest at St. Louis Cemetery Friday. Rev. Father Heckman officiated. Besides those mentioned, deceased is survived by a number of Grandchildren, four brothers, and two sisters and a very large number of other near and dear relatives to mourn his loss. A very large cortege of mourning relatives and friends escorted the remains to their last resting place.

We join this entire community in sympathy with the bereaved and grief-stricken ones.

May he rest in peace.

"A MARTYR TO RELIGION."

(An editorial in the "Cincinnati Enquirer" of Sept. 19, 1926.)

Is the essence of our republicanism a diseased, distorted perversion of noblest tolerance—the negation of that supreme conception of liberty, personal and political, which the youth of America through splendid generations was taught to believe to be the surpassing gift of the founders of the republic—or does it remain the inspiring leaven that shall vitalize the nation's populations of the future with devotion to equality of brotherhood in citizenship?

This is no idle question. There are many evidences that tend to show that racial and religious hatreds continue to be fostered and extended in this great commonwealth, which was founded on the priceless principles of liberty, fraternity and equality.

There are influences steadily at work throughout the length and breadth of the nation that are not American influences. This fact recently was painfully emphasized by Senator Caraway, who announced it to be his conviction that Governor Smith, of New York, will "be crucified on the cross of his religion" and never be elected to the White house, despite his worth and personality.

To the political idealist, to the true lover of America—to men of good will of every form of religious faith—expression of such conviction as now is held by Senator Caraway must produce disencouragement, unfaith in humanity, contempt for mortal assumptions of superior righteousness and a lessening of interest in patriotic effort to cherish and maintain a government such as was designed and transmitted to us by the strong, sincere men who planted its foundations.

Senator Caraway said: "In all my going about America I haven't found anyone who does not admit the personality of Governor Smith. The people have found him honest and patriotic and it is a great pity that one must be crucified on the cross of his religion."

It is worse than "pity." If it be true that Catholic or Jew cannot be elected to the highest office in the gift of the American people, then American republicanism and the boasted American Constitution represent nothing more than mocking, hideous fallacy and lying sophistry. Honor, honesty, patriotism, private virtue, are not to be monopolized by any cult or creed, by any race or political group of controlling authority. The spirit that says none but a Protestant shall ever be elected to the Presidency of the United States is the spirit that denies the fundamentals of the republican system of government and the ethics of any worth-while religious philosophy that ever existed.

The earlier crop residues are turned under the more humus will there be in the soil for next year's crops and the less occasion for burning off the vegetation later on.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or diaph the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

Suffered weak, nervous

"I WAS in a very weakened, run-down condition, surely in need of a tonic and builder," says Mrs. J. R. Wrenn, of Anna, Texas. "I was so weak I had to go to bed, and kept getting weaker."

"I suffered with my back so much. I was very nervous, couldn't rest good at night. I couldn't eat anything—I just wasn't hungry."

"I had read so much of Cardui, I thought best to use it. I took seven or eight bottles, and by the time I had taken them I was stronger than I had been in several years. I can highly recommend Cardui."

Thousands of other women have found that the tonic effects of the purely vegetable ingredients of Cardui were just what they needed to help restore their appetites, to help bring them easily and naturally back to normal health and strength. Its action has been found to be of great benefit in many common female ailments.

SOUTHWEST TEXAS COUNCIL HOLDS ANNUAL MEETING.

The annual meeting of the Southwest Texas Council, Boy Scouts of America, was held at Uvalde, Friday, Jan. 7. After a luncheon at the Sunshine Dining Room, at which the council members were guests of the Uvalde local Scout committee, the council met for its 1927 business session at the band hall over J. C. Smyth and Co. The president, Mr. Geo. E. Love, of Del Rio, was in the chair.

Officers were elected for the coming year as follows:

Geo. E. Love of Del Rio, President.
T. B. Knopp of Hondo, 1st Vice-President.

J. R. Sanford of Eagle Pass, 2nd Vice-President.

W. F. Morgan of Uvalde, Treasurer.

L. F. Heard of Sabinal, Commissioner.

A. J. Springfield of Leakey, Chairman Court of Honor.

Joe Kerr of Sanderson, National Councilman.

It was decided, for the sake of efficiency, to divide the council into districts. District I is composed of Terrell, Val Verde, Edwards, and Kinney counties; District II of Real, Bandera, Uvalde, and Medina counties; District III of Maverick, Zavalla, Frio and Dimmit counties. Each district will elect officers and will work as a unit in the administration of the council's policy and plans for the year. Each district committee meets monthly; the executive board of the council, composed of only ten men from the entire area, meets quarterly.

Due to the fact that a number of the towns have failed to send in their pledges to date, the council was in need of funds, and W. P. Morgan, Lee Schwartz, and Fred Horner of Uvalde were appointed as a committee to establish credit up to \$500.00 at the bank to take care of any pressing financial emergencies during the year.

The application for charter of the council for 1927 was approved.

The executive, in his report, stated that the books of the council for 1926 had been audited and approved. Ten troops are now registered in the council, and several more are about ready to come in. We now have 140 boys definitely enrolled in Scouting over the area.

Due to heart trouble demanding a release from duties for a rest, M. M. Fulmer, Executive for the past four months, resigned. His resignation was reluctantly accepted. He will remain until the new executive is elected and arrives, and the council voted to add to his pay, when he leaves the work, a bonus of two weeks' salary.

A rising vote of thanks was given by the council to J. C. Smyth and Co. of Uvalde for their kindness in giving the use of an office free of charge as headquarters for the council, and to the Uvalde local Scout Committee for its entertainment of the councilmen during the meeting.

Those attending the meeting were Dr. T. B. Knopp of Hondo, Rev. Heard, L. F. Heard, Guy E. Rambie, and K. T. Biggs, of Sabinal; Dr. A. J. Springfield, Ed. C. Taylor, and Seth E. Banta of Leakey; Rev. J. M. Garner, E. L. Fawcett, A. E. Ewing, Geo. E. Love, and Jack York of Del Rio; Andrew F. Smyth, D. W. Price, and Rev. Simon of Uvalde; and Rev. S. M. York of Eagle Pass.

AN UNUSUAL FLOWER POT.

By Walter L. Monk.

An unusual and beautiful flower pot may be made from small gravel and cement. Make a thick mortar of cement and with a bucket the desired size for the pot, spread a coat of mortar a half-inch thick over it. Have a water hole punched in the bottom of the bucket and place the bucket bottom up. Have some small gravel of different colors as may be found in any gravel pit or on the highways, creek banks, etc., and press them into the mortar mixing the colors as much as possible. Take four round stones then and press them in for legs. Small mussel shells may be used in place of gravel. One may have various effects by using either the inside or the outside of the shells. One may make a beautiful flower pot in this manner, and if the mortar is allowed to dry for two or more days and a coat of clear varnish applied, the effect will be improved.

Rupture Shield Expert Coming to San Antonio

On Wednesday, Thursday and Friday January 26, 27 and 28.

at Travelers Hotel

From 10 a. m. to 4 p. m. Evenings by Appointment

THREE DAYS ONLY

No Charge for Consultation.

Mr. C. F. Redlich, the successful expert says:

The "Perfect Retention Shields," hold the rupture perfectly no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening on the average case in ten days and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power needing no further outside support. Stomach trouble, backache and constipation often caused by Rupture promptly disappear.

Truly remarkable results have been obtained with recent and not yet fully developed ruptures and many old ones also.

No legstraps or elastic belts are used. Can be worn while bathing and are highly sanitary being impervious to sweat.

Letters from highly satisfied clients available.

Advertised mail order contraptions as well as elastic belts with chafing filthy legstraps and all salves and medicines are absolutely worthless.

Call on me and I will show you. Results on children are 95% favorable.

Business engagements prevent visiting any other city in this section. C. F. Redlich, Rupture Appliance Expert, Home office, 535 Boston Block, Minneapolis, Minnesota.

THE LAST NOVEL

Ever Written By GENE STRATTON-PORTER

Just Starting in McCall's

Shortly after this beloved novelist's sudden death nearly two years ago, Mrs. Porter's daughter found among her mother's papers the complete manuscript of a novel—"The Magic Garden"—a romance as delicate, as whimsical, as satisfying as that last fiction success, "The Keeper of the Bees." And now "The Magic Garden" is just starting serially in McCall's. Don't miss this story of a poor little rich girl who ran away to find love.

games of "42", Mrs. O. J. Reinhart receiving first prize, and Mrs. A. J. Finger the booby. Delicious refreshments of sandwiches, fruit cake, wafers, and hot chocolate were served. The club guests were Mrs. F. G. Muennink of Hondo, Mrs. Ben Koch, Mrs. Oscar Rothe and Mrs. Alphonse Boog. Members present were: Mrs. W. E. Albrecht, Mrs. O. J. Reinhart, Mrs. A. J. Finger, Misses Nettie Rieher, Josie and Lucy Rothe and the hostess.

SECO COMMUNITY CLUB.

The regular monthly meeting of the Seco Community Club was held Friday afternoon, January 7th, at the school. The following program was both entertaining and instructive.

America, Song, Everybody.
Aims of the Community Club,—Miss Mary Lutz.

Piano Solo, Since You Called Me Sweetheart, Miss Agnes Rothe.

Physical Characteristics of the Normal Child, Mrs. Henry Poerner.

Daddy's Sweetheart, Voice Solo, Mrs. W. O. Rothe.

A lengthy business meeting was held. The secretary, Mrs. W. O. Rothe, presented a certificate of affiliation received from the State P. T. A.

Mr. Forgason, County Agent, was a visitor. He spoke to the boys and girls on club work, telling of the advantage of proper care and feeding of poultry and pigs. By the enthusiasm expressed by the boys and girls, we may soon have clubs in our community.

An item of interest was the Eskimo village built by the primary pupils on their new sand table. The white sand Igloo, cutouts of the Eskimo family, reindeer, sleighs, dogs, etc., could not have been more real. This being the busy season for farmers, the Club voted to have the next meeting on Thursday evening, February 3, at 7 P. M.

Refreshments of coffee, cake, and cookies were served by the hostesses.

Keep Fit!

Good Health Requires Good Elimination

TO be well, you must keep the blood stream free from impurities. If the kidneys lag, allowing body poisons to accumulate, a toxic condition is created. One is apt to feel dull, languid, tired and aching. A nagging backache is sometimes a symptom, with drowsy headaches and dizzy spells. That the kidneys are not functioning properly is often shown by burning or scanty passage of secretions. If you have reason to suspect improper kidney functioning, try Doan's Pills—a tested stimulant diuretic. Users praise them throughout the United States. Ask your neighbor!

TELEPHONE COMPANY TO EXPAND.

Approximately \$12,000,000 will be spent by the Southwestern Bell Telephone Company in Texas during 1927 in extensions and expansion of service, according to announcement of Mr. Stevenson, district manager of the Southwestern Bell Company here today. This expenditure will provide facilities to take care of the expected growth in telephone business during the year.

This enormous sum will be expended throughout every Bell company in the State. In some sections new central office buildings will be erected and new improved central office equipment installed. In others the present central office equipment will be enlarged and expanded to care for service needs.

Other exchanges, where new buildings and central office equipment are not needed, will benefit by outside plant extensions including new local and long distance cable facilities and other improvements. In these ways every office of the company in the State will benefit from the extensions planned.

According to plans of the company \$3,710,000 will be spent for additions to the aerial circuits throughout the State, including both local and long distance lines. This expenditure includes the cost of poles, wire and lead cables. In addition to this amount \$1,049,000 will be spent in placing overhead wires underground.

To care for the increasing long distance business over the State, the company will construct approximately 7,092 miles of additional long distance lines. With these new lines the long distance service throughout the entire State will be vastly improved. In addition to this improvement in long distance facilities 174,738 miles of wire, enough to reach around the world seven times, will be placed in overhead and underground cables in the local central office areas.

This extensive expansion program on the part of the Southwestern Bell Telephone Company in Texas for this year is necessary to take care of the increasing demands for telephone service, both local and long distance, and to adequately provide for near future service demands, Mr. Stevenson said. "Unlike a great many organizations, the Telephone Company must determine where service will be needed in advance of the actual need and provide equipment to give the service before the need exists. In expending this large sum in the State during 1927 we are endeavoring to keep a step ahead of the demands for telephone service.

"According to present estimates of telephone engineers, about 24,000 telephones will be added to the Bell System in Texas during 1927," Mr. Stevenson stated.

QUIHI NOTES.

The Sunday School and Bible Class of Bethlehem Lutheran church meets at 9:30 and divine service begins at 10:30 o'clock Sunday morning. The installation of the newly elected vestry of the church, which was postponed, will take place immediately after the sermon. All are cordially invited to be present.

The Quihi Luther League will give a very interesting program in Bethlehem Lutheran Church Sunday night at 7 o'clock. All are invited to come and hear and enjoy this program. Aside of several classic numbers by the church choir, musical numbers will be given by Mr. Frank Boehle, instrumental; male quartet led by Mr. Arthur Grell; double quartet led by Miss Lisetta Boehle; a vocal selection by Miss Alma Saathoff. Literary numbers by the following parties: A lecture by the pastor; declamation by Miss Alma Grell; select readings by Misses Josie Mussmann, Alleen Hartmann, Hulda Neumann and Mr. Milton Oeffinger.

Last Sunday St. John's Lutheran congregation at New Fountain elected Mr. Fritz Neitenhoefer for three years into its vestry. His installation will occur at the next regular service.

One of the most important features of the new state motor vehicle act of Pennsylvania provides that "every applicant for such license shall furnish with his application a set of his fingerprints and two photographs." It is designed as a safeguard against reckless and drunken drivers obtaining licenses under assumed names.—S. A. Evening News, Jan. 5, 1927.

DEVINE NEWSLETS.

From The Devine News.

A. J. Swearingen and daughter, Mrs. Woods, of Hondo, were in Devine, Tuesday buying some good Jersey cows; bought of Jake Mechler we believe. Mr. Swearingen called at the News office while here.

Mr. and Mrs. Charles Hokit of Reagan Wells and Mrs. W. C. Simpson of Hondo were here Friday enroute to Millett to visit their mother and sister.

From Yancey.

We have enjoyed beautiful spring-like weather for the past week. We would welcome a good shower now to put the ground in good shape for the coming spring planting. So far we have not had a good rain in this section. The country north of us seems to be in better condition than here, but we hope to get a good rain before planting time.

There is a good deal of corn being hauled to market here most of it being sold at Devine.

The Intermediates and Junior Leagues had an entertainment at the church last Friday night.

Mr. and Mrs. S. P. Childress have been gone nearly a week on a visit to their son, Polk, at Thompsonville.

Mr. W. J. Wise, Mrs. M. J. Beaver, Mrs. Tillman Parr, Mrs. Bill Dunaway and little daughter, Dorothy, came out from San Antonio Sunday and were guests of Mr. and Mrs. Jim Weakley.

Mrs. Emma Haass is spending a few days with her brother, Mr. Jack Bilhartz.

Mrs. Joe Breiten and son, Louis Breiten, and grandson, Armin Breiten, while on their way to Hondo Saturday morning happened to a very bad accident. Mr. Odum from Hondo was coming this way in a Star car, and the Breiten's were in a Ford Sedan, and a negro with a wagon was on his way to Hondo and as Armin Breiten turned around the load of hay the fog was so thick neither one of the men in the car saw the other till they came together. It hurt Grandma Breiten pretty badly, and tore up both cars very bad.

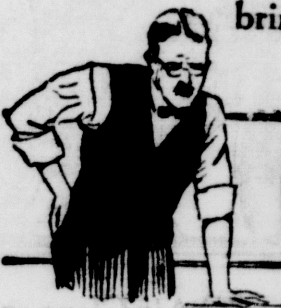

Mrs. J. L. Wernette and Mrs. Emil Weber spent Saturday in Hondo with their mother, Mrs. Joe Breiten, at the home of Mrs. Ernest Boehle, where she is staying after the accident that morning.

When your printing is done at home by your local printers it means that Hondo money is kept in Hondo. But when you send away and have it done you are aiding an institution that cares nothing about the development of your town nor your success. Just think this over before you make your next order.

Buick Ahead Again in the Yellowstone

Again in 1926, more Buicks toured through Yellowstone Park than any other car except the one of lowest price.

Buick has held this same honor every year since the Park was opened to automobile travel.

This year there were 4,756 Buicks in a total of 44,472 cars registered. 101 different makes were represented in the registrations. One in every ten was a Buick.

Here is convincing evidence of Buick reliability—striking proof of the faith which Buick owners repose in their car.

They know Buick will take them and bring them back comfortably, safely and splendidly—across the Continent—or around the World.
